**STYLISH WAVES OF GRATITUDE INSPIRED APPAREL
Signature Tops to Inspire People to Express Gratitude**

12/04/2009: Boston, MA – Inspired Apparel by Waves of Gratitude is a stylish line of Signature Tops that feature the new company monogram and inspirational words. There are 19 Signature Tops featuring 8 themes in the first designer collection available exclusively from Waves of Gratitude at www.wavesofgratitude.com. The collection of Inspired Apparel by Waves of Gratitude reminds people to remember the importance of expressing gratitude.

Waves of Gratitude Signature Tops were each designed to elicit themes that emerge from a life lived well from a foundation of gratitude, including Hope, Love, Legacy, Inspiration, Awakening, Confidence, Creativity, and Optimism. The Signature Tops are perfect paired with black pants or skirt for a nice night out after a long day, or with jeans for a casual but stylish night out or in.

Inspired Apparel Signature Tops by Waves of Gratitude are short-sleeve, scoop neck 100% cotton shirts. They feature a variety of design colors, including lavender, pink, emerald, copper, silver and black on black and white shirts.

Waves of Gratitude founders Cheryl Nordyke and Kim Wierman have built Waves of Gratitude on the strong belief that everyone should have the opportunity to “wear” symbols of gratitude that have style and meaning. The company has a strong commitment to giving back. This year, Waves of Gratitude has selected the Susan G. Komen for the Cure as the recipient of 10% net profit donation through December 31, 2009.
